Welcome to Britannica ImageQuest™

Britannica ImageQuest™ brings lesson plans, assignments and projects to life with over three million images from a variety of collections. Getty Images, the Science Photo Library and other trusted image sources have joined with Britannica to provide the best and broadest offering of curriculum-relevant imagery and clip art materials, all rights-cleared for educational, non-commercial use. Also available in Arabic, French, Japanese, Portuguese, Spanish, Turkish and Welsh.

Recognition & Awards

- School Library Journal's Best Database Award
- AEP's Distinguished Achievement Award for Curriculum: Reference Materials

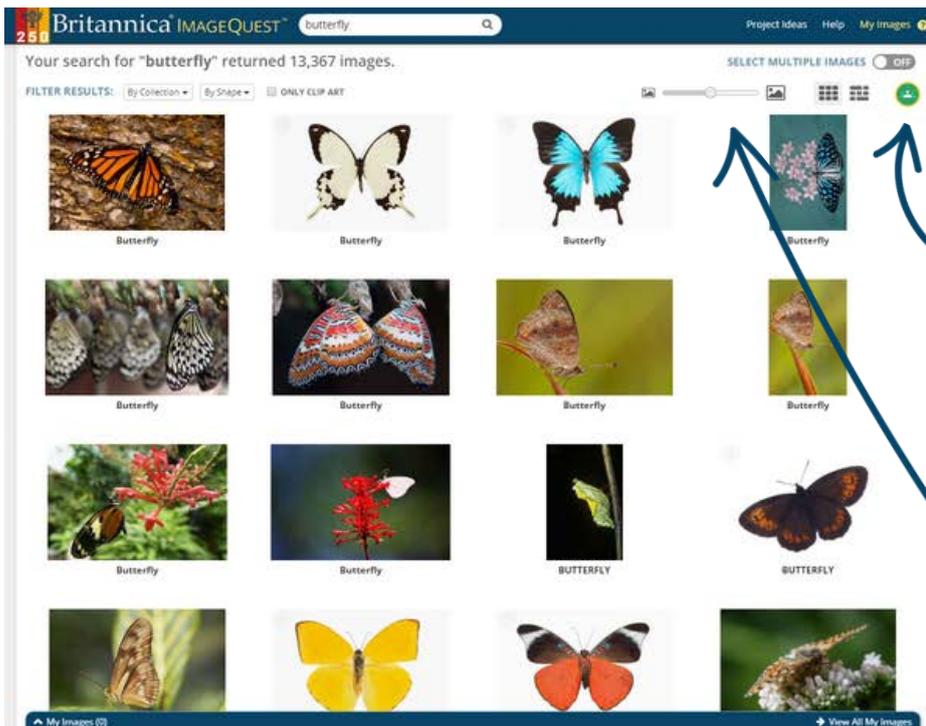

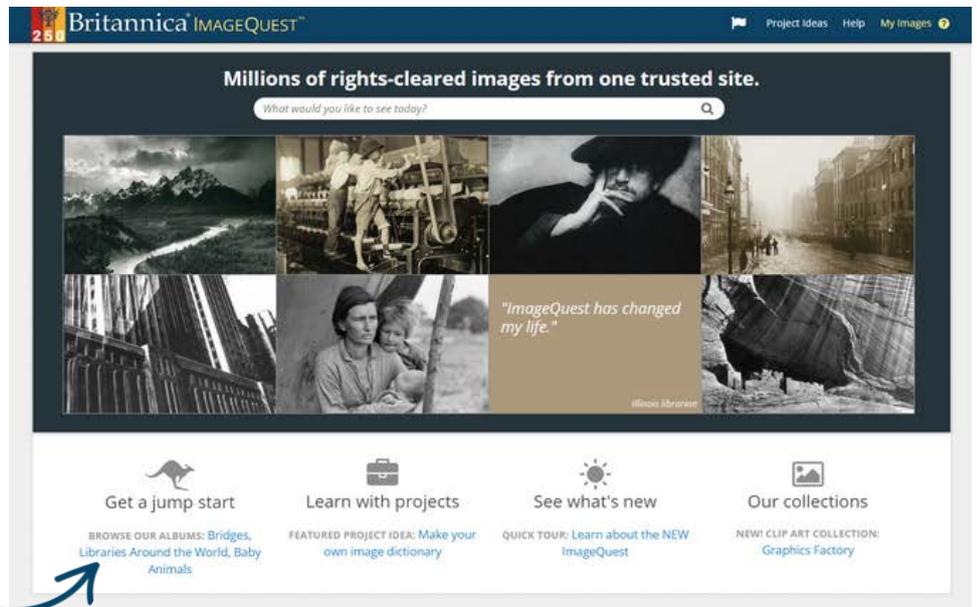

Flexible Searching

Searching

Type in keywords to search for relevant images and clip art.

Browse

Browse albums, start projects, see what's new and view featured collections.

Narrow Search Results

Filter results by collection, shape or view clip art images only.

Google Classroom

Share all the search results in your Google Classroom.

Display

See results as a grid or strip. Enlarge or reduce image thumbnail sizes using the slider.

Image Details

Rights Cleared

All image rights are cleared for educational use.

More Information

Copyright details are provided for each image. Click on “More Information” to see image title, description and other information.

The screenshot displays the Britannica ImageQuest search results for "butterfly". The search bar shows "butterfly" and the results indicate 13,367 images. Below the search bar, there are filter options: "By Collection", "By Shape", and "ONLY CLIP ART". A grid of four butterfly images is shown. A large blue arrow points from the "More Information" text above to the "More Information" link in the detailed view of the Red Lacewing butterfly image. The detailed view shows the image, the title "Butterfly", a description: "Red Lacewing butterflies emerge from their chrysalis at Butterfly World near Edinburgh.", and the credit: "CREDIT David Cheskin / PA Archive / Press Association Images / Universal Images Group Rights Managed / For Education Use Only". Below the image, there are several action buttons: "CITE", "ADD TO MY IMAGES", "DOWNLOAD", "E-MAIL", "PRINT", and "SHARE TO GOOGLE CLASSROOM". A blue arrow points from the "Share to Google Classroom" text below to the "SHARE TO GOOGLE CLASSROOM" button in the screenshot.

Image Tools

Generate an automatic citation, save the image to your personal My Images collection, download or share the image via email or print it out.

Share to Google Classroom

Share individual images to your Google Classroom.

Multiple Images

Favourite Multiple Images

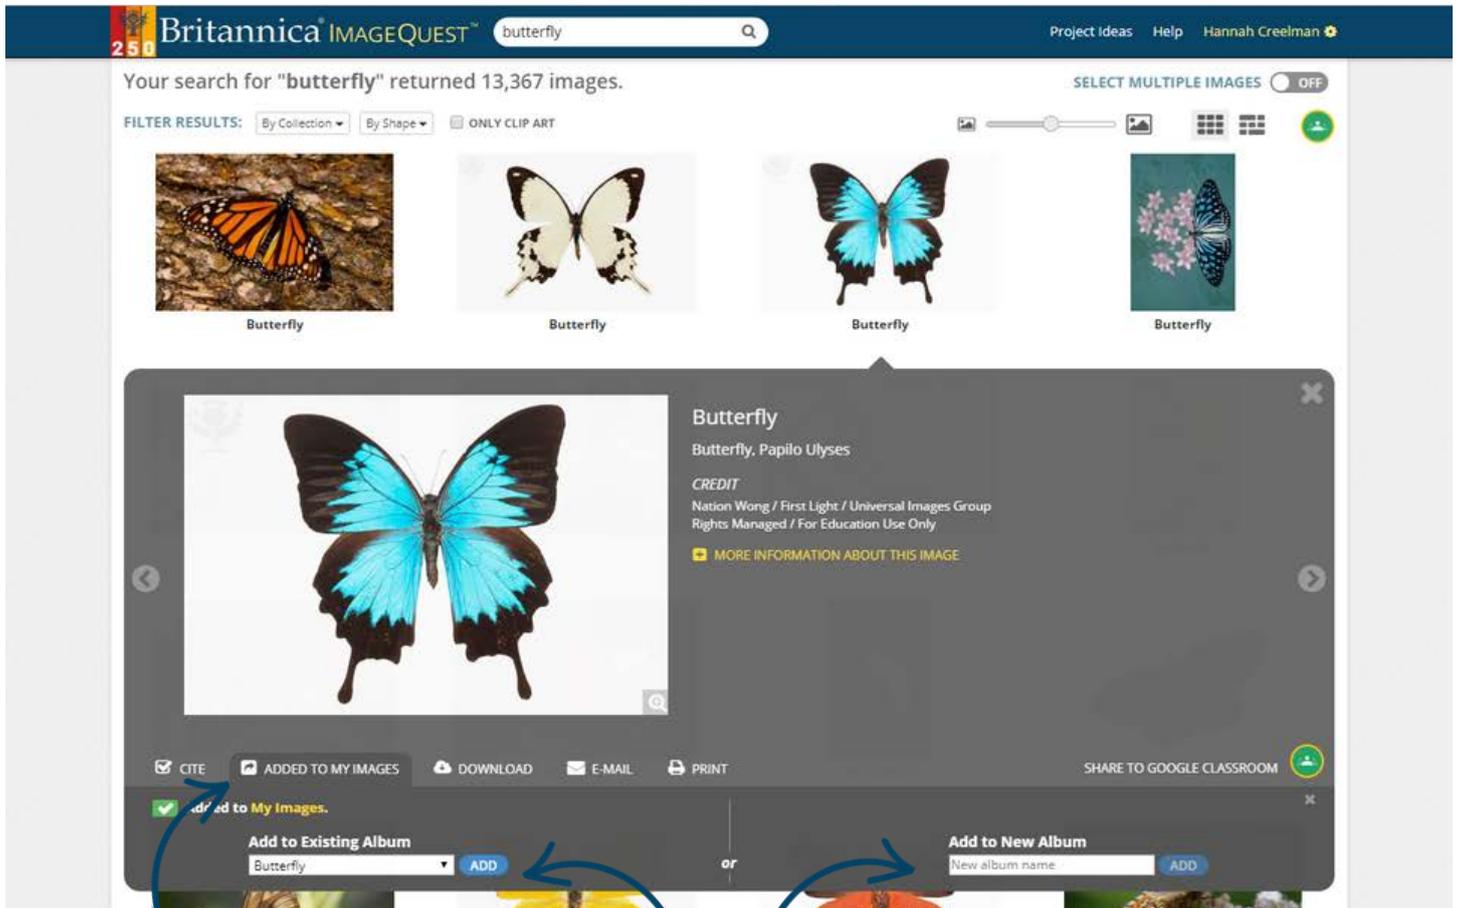

Add the image to your personal My Images collection, download, e-mail, or print images all in one place!

Multiple Images

Turn on this feature to apply actions to more than one image at a time.

The screenshot shows the Britannica ImageQuest interface. At the top, the search bar contains the word "butterfly". Below the search bar, it states "Your search for 'butterfly' returned 13,367 images." To the right of this text is a toggle switch labeled "SELECT MULTIPLE IMAGES" which is currently turned "ON". Below the search results, there are several action buttons: "ADD TO MY IMAGES", "DOWNLOAD", "E-MAIL", "PRINT", and "Deselect All". There are also filter options: "By Collection", "By Shape", and "ONLY CLIP ART". The main area displays a grid of butterfly images. Each image has a small green checkmark in the top right corner, indicating it is selected. Blue arrows point from the text in the "Favourite Multiple Images" section to the checkmarks on the first two images in the grid. Another blue arrow points from the text in the "Multiple Images" section to the "SELECT MULTIPLE IMAGES" toggle switch.

Saving Images

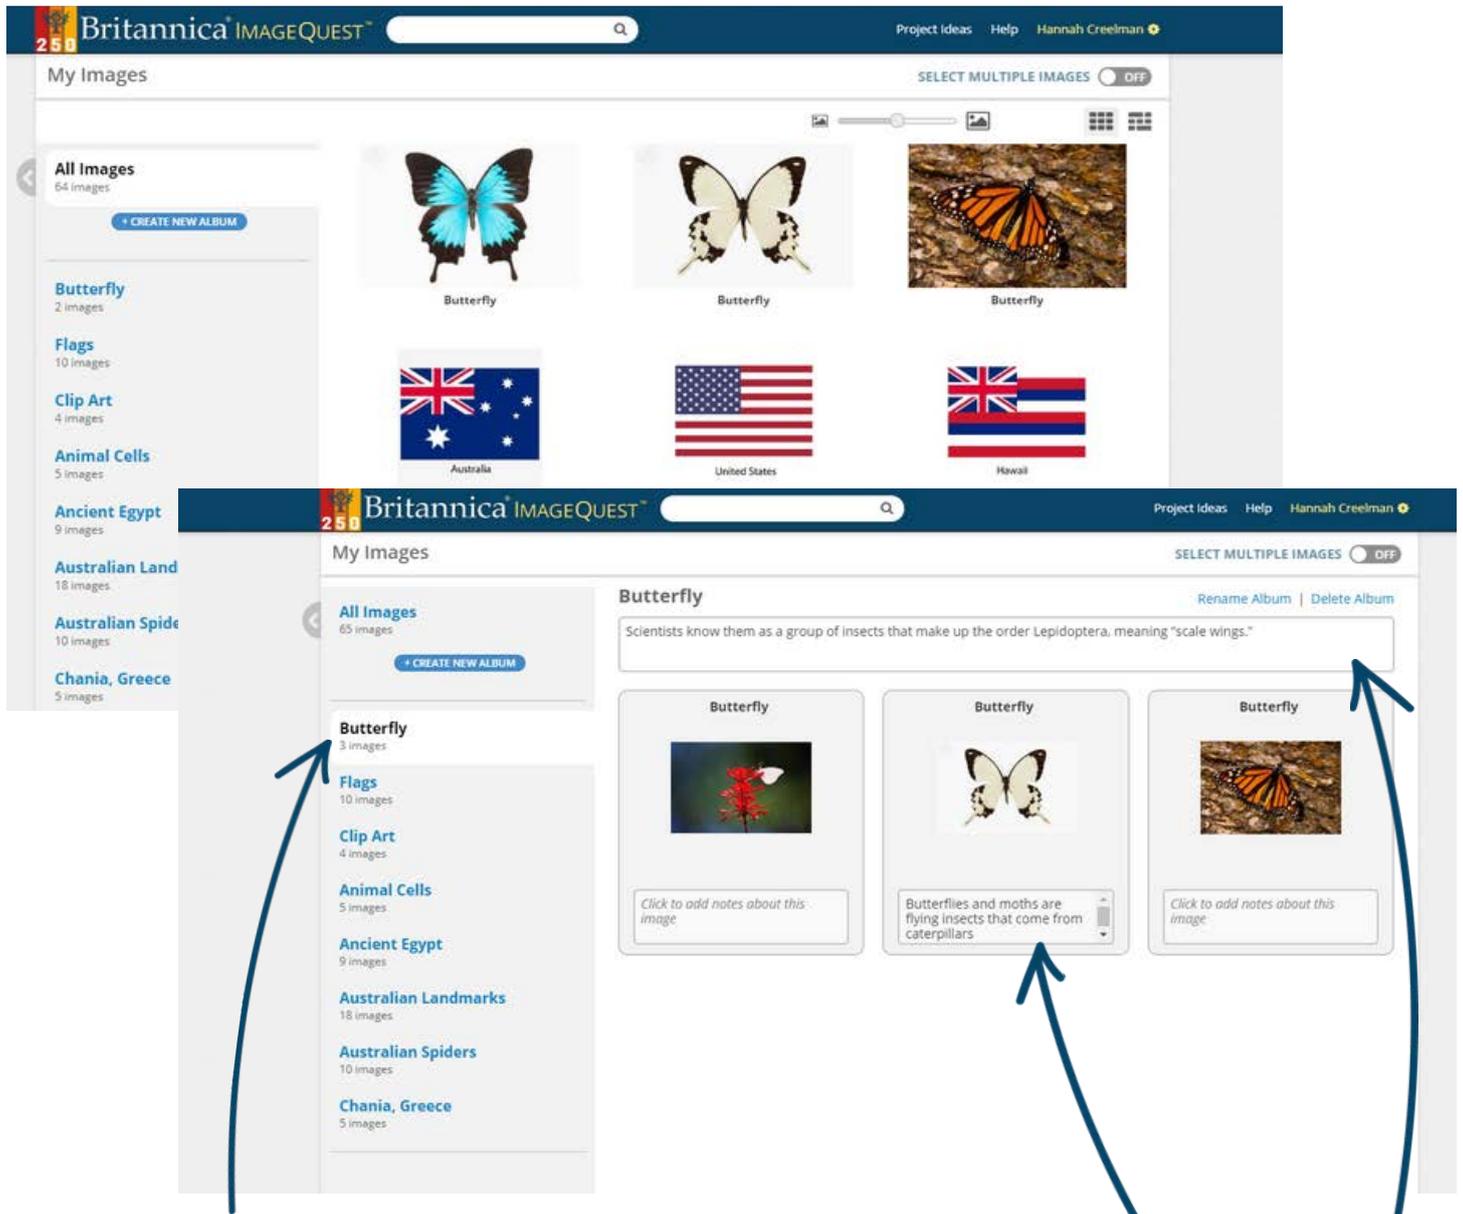

Add to My Images

Favourite any image by clicking Add to My Images in Image Tools.

Add to an Album

You can choose to add the image to an Existing Album or create a New Album.

Organising Images

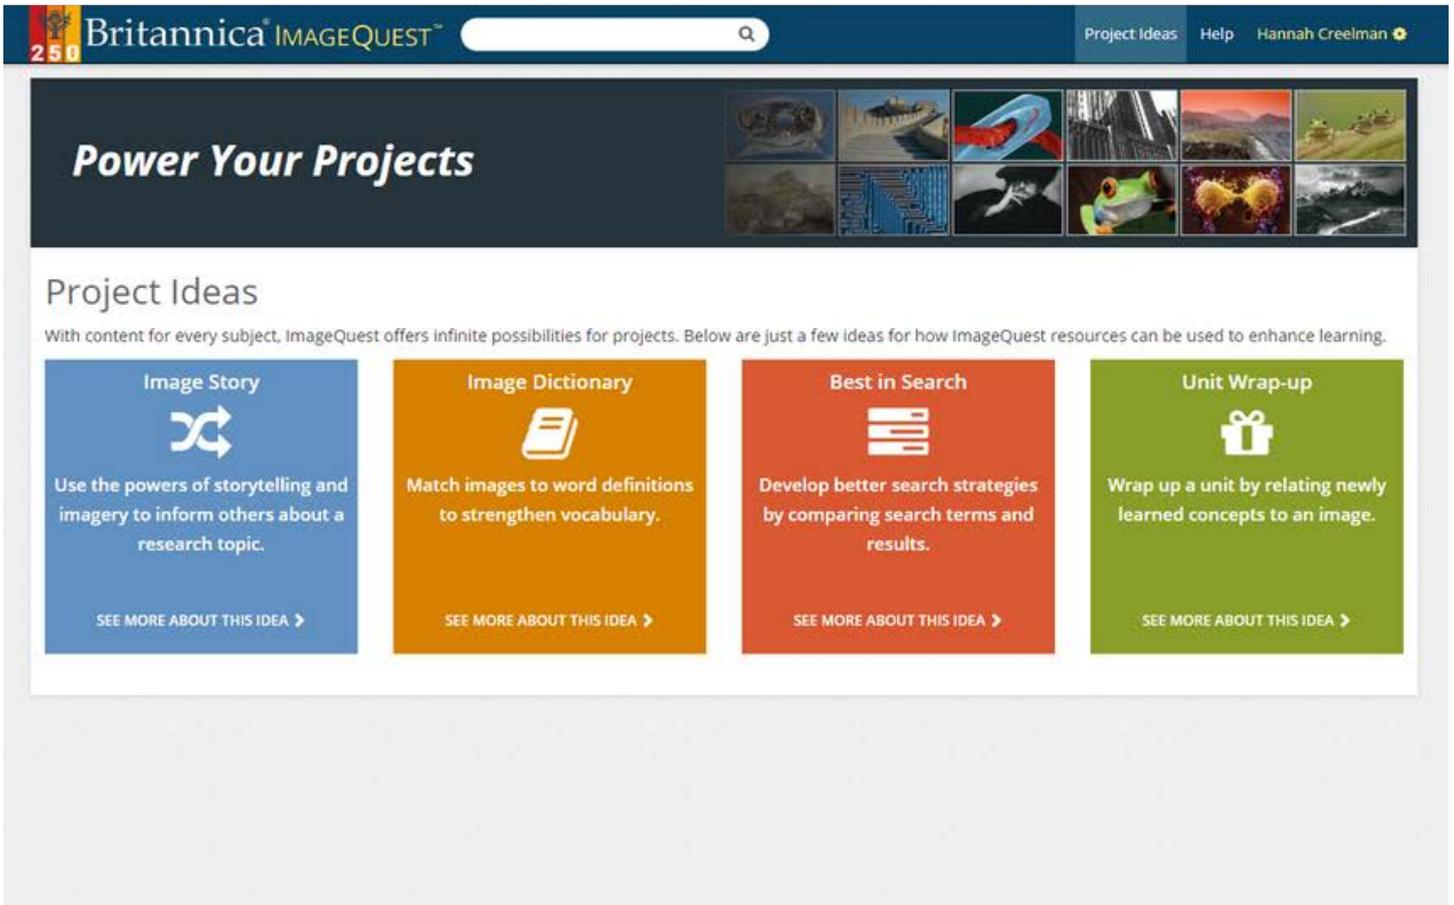

Album

Create albums to organise your images.

Tag Images

Add your own notes to saved images and to entire albums.

Project Ideas

The screenshot shows the top navigation bar of the Britannica ImageQuest website. It includes the logo, a search bar, and user information. Below the navigation bar is a banner with the text "Power Your Projects" and a grid of ten small images. Underneath the banner is a section titled "Project Ideas" with a paragraph of introductory text. This section contains four colored boxes, each representing a different project idea: "Image Story" (blue), "Image Dictionary" (orange), "Best in Search" (red), and "Unit Wrap-up" (green). Each box includes an icon, a brief description, and a link to learn more.

Power Your Projects

Project Ideas

With content for every subject, ImageQuest offers infinite possibilities for projects. Below are just a few ideas for how ImageQuest resources can be used to enhance learning.

- Image Story**
Use the powers of storytelling and imagery to inform others about a research topic.
[SEE MORE ABOUT THIS IDEA >](#)
- Image Dictionary**
Match images to word definitions to strengthen vocabulary.
[SEE MORE ABOUT THIS IDEA >](#)
- Best in Search**
Develop better search strategies by comparing search terms and results.
[SEE MORE ABOUT THIS IDEA >](#)
- Unit Wrap-up**
Wrap up a unit by relating newly learned concepts to an image.
